Please return to the conference office by April 1. Fax 208-939-5544 or scan and email to [idahopathfinders@gmail.com](mailto:idahopathfinders@gmail.com)

This is an excellent way to publicly recognize your staff (or those from other clubs or the conference who have been a special help to you or someone else)—recognition that only costs you time. Volunteer recognition and affirmation are necessary to keep good staff and to encourage them in their ministry. Please take a few moments to honor those who choose to work with the Adventurer and Pathfinder youth of our conference.
